Hard Skill

- HTML5, CSS3, JavaScript ES6+, jQuery, React.js
- Node.js, Express, PHP
- SQL, MongoDB
- Git/Github
- Data Structures and Algorithms

Soft Skill

- Observation
- Decision making
- Creativity
- Time Management
- Goal-Oriented

Courses

- PHP , Great Learning
- C++, Great Learning
- SQL, Simplilearn
- Javascript Algorithms and Data Structures, FreeCodeCamp
- TCS ION Career Edge – Young Professional, TCS ION

Education

Parul Institute of Engineering and Technology Diploma Studies

Diploma in Computer Engineering

Currently Pursuing   CGPA–9.3

Jay Ambe Vidhyalaya

SSC   2021

Professional Summary

Aspiring web developer with experience building responsive front-end websites and dynamic web applications. Seeking to leverage skills in MERN stack and data structures and algorithms to take on new challenges that drive innovation. Enthusiastic to join a company where I can contribute to impactful projects and continue growing as a developer.

Experience

Web Developer Intern   Suyog Cables, Vadodara
Feb 2023 - July-2023

- Enhanced website functionality by implementing new features in PHP
- Fixed bugs and optimized page load times
- Collaborated with team to understand requirements and implement solutions

Projects

Weather App

- Developed a weather app that retrieves and displays weather data for a given location using asynchronous JavaScript and OpenWeather API.
- Added geolocation feature to auto-detect user's location and load weather data.
- Implemented error handling for invalid location searches.

Custom Music Player

- Built a custom music player using HTML, CSS and JavaScript with play/pause, previous/next track, shuffle and repeat functionalities
- Enabled playlist manipulation and highlighted currently playing track
- Applied responsiveness and styling to enhance UI/UX

Realtime Chat App

- Developed a realtime chat web app with React, Node.js, Express and Socket.IO
- Implemented user signup/login and one-on-one private messaging with chat history
- Integrated Socket.IO for instant messaging and notifications
- Used MongoDB to store user credentials and chat messages

Achievements

Silver medal in Deparment
